

Education Notice: State Specific Education Requirements: Updated March 12, 2010

The following tables list the hours of state content and/or the hours above the PE and CE SAFE minimum requirements. States or agencies which are shaded have state specific content required and/or require additional hours over the SAFE minimum. (Note: this information is subject to change as additional information becomes available):

State content outlines for education may be available through state agencies. If no content outline is available, course providers are advised to use the content outline for the State Component of the MLO SAFE Test as a guide for course development.
