

# NMLS Approved Course Providers

as of March 4, 2010

The following is a list of NMLS approved education providers authorized to offer pre-licensure and/or continuing education in accordance with the SAFE Act. Mortgage Loan Originators (MLOs) who are seeking to complete education as a condition of licensure are strongly encouraged to check this list to ensure they are taking courses only from an NMLS approved course provider. When deciding to take a course to meet either a pre-licensure or continuing education requirement, MLOs should consult the NMLS Master Course Catalog and look for either the statement “NMLS Approved” or the “NMLS Approved Course” logo next to the course description on the provider’s web site and/or catalog prior to registering for the course.

**Note: This is only a list of NMLS approved providers. See the NMLS Master Course Catalog for the list of NMLS approved courses.**

The list of NMLS Approved Course Providers is updated every Monday. Please send any questions regarding this directory to [nmls.ed@stateregulatoryregistry.org](mailto:nmls.ed@stateregulatoryregistry.org)
