

NMLS Approved Course Providers

as of December 28, 2011

Below is the list of NMLS approved education providers authorized to offer pre-licensure and/or continuing education in accordance with the SAFE Act. Mortgage Loan Originators (MLOs) seeking to complete education as a condition of state licensure are advised to verify they are taking courses only from an NMLS approved course provider.

Note: Not every course offered by the providers listed below is NMLS Approved. Many providers offer test-prep or other courses for other industries such as real estate and appraisal which are not NMLS approved.

You can search the [NMLS Master Course Catalog](#) to find the right course for you!
