HOW TO DETERMINE EDUCATION REQUIREMENTS

1. Open the [NMLS Resource Center](#) website.
2. From the left navigation pane, select “**Professional Requirements**” and select “**Education**”.
3. From the **Related Links** section of the Education page, you will need to review the **List of State Specific Education Requirements** link.

Note: Taking the same course two years in a row will result in CE not being counted for license renewal which could result in your license being suspended! Before registering for a course, check the course description in the NMLS Course Catalog to see if the course uses licensed content or shares content with another course. If it does, you may not take a course using the same content two years in a row. Courses using licensed content or sharing content with another course use the same unique course title or unique title phrase which is stated at the beginning of the course description. *Do not take a course with the same title or title phrase two years in a row.*”
