

New Application Checklist Jurisdiction-Specific Requirements

GEORGIA MORTGAGE LENDER LICENSE

Instructions

1. For Licensees, each branch location in Georgia desiring to conduct business under this license authority, must be separately approved and will require a filing of Form MU3 through NMLS. State of Georgia in-state branches must have received prior approval from the Department and be in the Department's database prior to doing business. See specific branch transition information on the website. A \$350 application fee is required per branch. See MU3 Branch instructions.

NET BRANCHING

Net Branching is not acceptable and net branches will not be approved. Net branching occurs when a licensee allows the unsupervised use of its license for a monthly or periodic operating charge to the branch. See detailed information at:

http://dbf.georgia.gov/00/channel_title/0,2094,43414745_67610389,00.html#netbranches

2. Loan Originator licensing is required. Loan Originators can create an NMLS Account now at no cost to obtain the NMLS ID number necessary to take the National and State Test. The state component of the test is expected to be available in October 2009. No MU4 filing is required until the license is available in January 2010.
3. Loan Servicers require a mortgage lender's license or registration.
4. Each Control Person must be separately identified and included in the Direct Owners and Executive Officers section of the NMLS Form MU1. A Control Person is defined in Georgia to include any person who: i) *is a director, officer, partner, agent, employee, or ultimate equitable owner of 10 percent or more of the applicant or licensee or ii) any individual who directs the affairs or establishes policy for the applicant or licensee.* Such control persons include Branch Managers for purposes of completing the application for Branch Office Form (MU3).
5. An on-site manager is required to be appointed for all locations where the licensee conducts business with consumers. For the Main Office location, this individual may be referred to as the day-to-day Business (Branch) Manager, must be listed as the "Qualifying Individual" on Form MU1, and his/her business address must match the address listed as the "Main Address" on Form MU1.
6. Information regarding the Registered (Resident) Agent for Service of Process must be included in the application. The registered agent for service of process must be located in the State of Georgia and must have an address in this state where he/she may be served. For corporate, LLC and partnership applicants, if the applicant is an entity organized in Georgia, the agent for service of legal process must be the same natural person or legal entity recorded with the Georgia Secretary of State.
7. Licensees using more than one trade name, or fictitious name or d/b/a, must have had those names approved for use in Georgia with their license. No other fictitious names may be used without prior approval of the Department.

8. **Student Loans/Child Support.** The Georgia Residential Mortgage Act also provides grounds for denial of any application for a mortgage license involving persons who have failed to repay student loans [See O.C.G.A. §7-1-1017(a)(3)]. Applicants having government supported student loans outstanding must be in “good standing” with the lender on those loans. Delinquent student loans must be brought current, or at least placed in forbearance status by the lender, before a favorable review can be accorded. Also, where an applicant has been found to be in noncompliance with an order for child support, such action is sufficient grounds for refusal of a license. [See O.C.G.A. §7-1-1017 (a) (2)].
9. The applicant’s NMLS Unique Identifier must be written on the upper right-hand corner of every hard copy document submitted to the Department.
10. **Financial Statements must be submitted through the Filing Tab in NMLS prior to the submission of your Form MU1 filing.** For additional help, see the Financial Statement Information page and quick guide posted on the NMLS website here:

http://www.stateregulatoryregistry.org/AM/Template.cfm?Section=Financial_Statements

Submit a copy of the most recent financial statement or audit, or if newly organized, a copy of the pro-forma financial information containing the beginning balance sheet of the company. Financial statements should include a Balance Sheet, Income Statement and Statement of Cash Flows and all relevant notes thereto.

11. Total License cost - \$1,250 which includes the NMLS processing fee.
12. Georgia’s “Per Loan” \$6.50 fees must be collected by the lender and are collected outside of the system.
13. All fees are collected through the NMLS and ARE NOT REFUNDABLE.
14. The application should not be filed until all required documentation is complete and ready for submission. The Department will review the filing and communicate with you through NMLS, at which time any required documents will be requested. The Department may not accept or process materially incomplete filings/applications. Applicants submitting incomplete applications will have submitted materials returned to the applicant without processing and will be notified of that action through the system. To review your status in NMLS, click the *Tasks* tab and click *Work List*.
15. Jurisdiction-specific requirements as identified on the checklist below must be received with this checklist within 5 business days of the electronic submission of your application through the NMLS at the following:
