

Amendments
Jurisdiction-Specific Requirements

IDAHO REGULATED LENDER REGISTRATION

Instructions

1. The following amendments require instructions or items sent outside the NMLS:
2. Idaho does not charge fees for amendments at this time.
3. Address changes must be provided to the Department in writing fifteen (15) days prior to the move. To be considered an address change and not a new registration, the entire operation, functions and personnel of the existing location must be relocating to the new location. The distance of the move must be a reasonable commute to the existing registered location. Changes to the MU1 are to be filed effective the date of the address change and should include any changes to mailing addresses, phone numbers, fax numbers, email, etc.
4. Changes of Legal Entity Name or any “dba” or “fictitious business name” must be filed through the NMLS and approved by the Department prior to usage in any advertising or transactions in Idaho. Filed changes and supporting documents will be used to amend and supersede any previous information with the registrant’s regulated lender license on file with the Department.
5. Changes in any Control Person (addition, deletion or change of information), Qualifying Individual or Branch Manager must be reported on the applicable Form MU1 and Form MU2 (and Form MU3 if a branch manager).
6. Jurisdiction-specific requirements should be completed first as identified on the checklist below as they must be received with this checklist within 5 business days of the electronic submission of your application through the NMLS at the following:
