

Description

MICHIGAN 2ND MORTGAGE BROKER/LENDER/SERVICER LICENSE

Who is required to have this license?

Any sole proprietor or company who, directly or indirectly, services or offers to service subordinate mortgage loans. "Service" means the collection or remittance, or the right or obligation to collect or remit, for a lender, noteowner, noteholder, mortgage servicer, or the licensee's or registrant's own account of 4 or more installment payments of the principal, interest, or an amount placed in escrow under a mortgage loan, mortgage servicing agreement, or an agreement with the mortgagor.

Any sole proprietor or company may apply for and obtain a 2nd mortgage broker, lender, and servicer license and receive authority to conduct subordinate lien mortgage broker, lender, and servicer activities even if the sole proprietor or company will not actively conduct each authorized activity.

Subordinate lien mortgage loan means a loan secured by a 2nd or junior lien position mortgage on real property located in Michigan and used, or improved for use, as a dwelling and designed for occupancy by 4 or fewer families or a land contract covering real property located in this state used, or improved for use, as a dwelling and designed for occupancy by 4 or fewer families.
