

Surrender Jurisdiction-Specific Requirements

NEW HAMPSHIRE MORTGAGE BANKER

Instructions

1. Any licensee that ceases to conduct in business in New Hampshire for any cause, including but not limited to bankruptcy or voluntary dissolution, and any licensee who claims exemption from the licensing requirements during a license year, shall surrender and deliver its license to the commissioner and file the *NH License Surrender/Expiration Form* (attached below) and attachments *within 15 calendar days* after the date of cessation. All questions must be answered, all fields requiring a response must be complete (enter "None" or "N/A" where appropriate) and all attachments must be received by the Department before the filing is accepted.
2. The date a licensee ceases to conduct business shall be determined as outlined in the instructions for the *NH License Surrender/Expiration Form* attached below.
3. Any licensee who *fails to renew its license at the end of a license period* and fails to reapply for a license within 30 calendar days of such expiration shall file the form and attachments *within 45 days of the date of expiration*; expired licenses need not be delivered to the commissioner.
4. **Although the annual report of business done in New Hampshire is not due until March 31st of the year following the expiration or surrender date (unless the surrender date is between January 1st and March 31st), it is strongly suggested that it be submitted to the Department at the time the other surrender/expiration information is sent so that it is not overlooked. Whether licensed or not, there will be a penalty for late filing or failure to file the final annual report.**
5. Submit the form directly to the New Hampshire Banking Department when the licensee is surrendering all licenses; file the Branch Office form (MU3) through NMLS when just closing a licensed branch office location.
