

## New Application Checklist Jurisdiction-Specific Requirements

# NEW HAMPSHIRE MORTGAGE SERVICER REGISTRATION

## Instructions

1. Each mortgage servicer desiring to conduct business under this registration authority must file a Form MU1 through the NMLS. The principal office of the *applicant* must be registered wherever it is located.
2. Effective **July 1, 2010**, each location within or without the State of New Hampshire that is identified by any means to the public as a location at which a mortgage servicing company conducts New Hampshire mortgage business must be registered as a branch office and its branch manager must be licensed as a mortgage loan originator.
3. Each mortgage servicer must license its mortgage loan originators on or before **July 31, 2011** through the NMLS.
4. Form MU2 must be filed for all control persons/principals of the applicant, including sole proprietors. *Principals* of the *applicant* are considered *control persons* in New Hampshire. Principals for New Hampshire purposes include *management level employees* and certain contact persons listed on NH Part II of Form MU1 in addition to officers, directors and direct and indirect owners.
5. Other Contact Employees named in NH Part II should be individuals who have authority and discretion to speak on behalf of the company. These individuals will more than likely be *principals* of the company and not merely clerical or administrative contact persons. As such, these positions will be subject to an MU2 filing and background checks.
6. The individual named in the Contact Employee Information section of Form MU1 must be authorized by the company to make sworn statements and attestation on behalf of the company where required as part of the application and/or renewal process.
7. Resident/Registered Agent. Foreign companies (not formed under NH law) must appoint and maintain at all times a registered agent in New Hampshire. If the applicant has a NH branch office, an individual in that office may be appointed as the NH registered agent. If the applicant does not have a NH branch office or does not wish to appoint someone in a branch office, the applicant must appoint another person to be the NH registered agent. The agent's office must be open during regular business hours. Banking Department examinations of the licensee's books and records may take place at the registered agent's office. Providing this information on Form MU1 does not take the place of filing Form U-2, *Uniform Consent to Service of Process*.
8. The Qualifying Individual listed on Form MU1 must be the individual currently on file with the Department who meets the experience requirements of RSA 397-A:5 III(e) and has been actively engaged in the mortgage business in a similar supervisory capacity for three of the preceding five years.
9. **Financial Statements must be submitted through the Filing Tab in NMLS prior to the submission of your Form MU1 filing.** For additional help, see the Financial Statement Information page and quick guide posted on the NMLS website here; [http://www.stateregulatoryregistry.org/AM/Template.cfm?Section=Financial\\_Statements](http://www.stateregulatoryregistry.org/AM/Template.cfm?Section=Financial_Statements)

Financial statements must be consistent with the legal status of the *applicant*, and audited statements are required if an audit was performed. Copies of the following that are prepared in accordance with generally accepted accounting principles by a public accountant, certified public

accountant or the *applicant's* financial officer must be submitted. Internally-prepared statements must include an attestation, signed under penalty of Unsworn Falsification pursuant to NH RSA 641:3, that the financial statements are true and accurate to the best of his or her belief and knowledge.
