GENERAL INFORMATION

Who is required to have this license?

Any company that services an Oregon residential mortgage loan at a location other than the business entity's principal place of business.

Section 4 of SB 98, passed during the 2017 legislature, requires a mortgage servicer to identify all branches at which it will engage in the servicing of Oregon residential mortgage loans as well as display a copy of the license in each branch.

Activities Authorized Under This License

This license authorizes the following activities...

- Third party first mortgage servicing
- Third party subordinate lien mortgage servicing
- First mortgage servicing
- Master Servicing
- Subordinate lien mortgage servicing

Pre-Requisites for License Applications

- This license should only be applied for by a company that also holds or is applying for OR Mortgage Servicer License.

Oregon Division of Financial Regulation does not issue paper licenses for this license type. The Oregon Licensing Notice may be printed on the Division's website for posting in the licensed office(s).

Document Uploads

Documents that must be uploaded to the *Document Uploads* section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
