

NMLS B2B Data Access Price List

Daily Subscription

The NMLS B2B ACCESS daily subscription includes the complete set of companies, branches and MLOs state-licensed or federally registered through NMLS. It is updated daily and can be used to verify the license or registration status of companies and individuals.

Cost: \$85,000 per year

Other Subscriptions

Subscriptions for less frequent updates are priced the following:

Weekly - \$40,000

Monthly - \$25,000

Quarterly - \$10,000

Single dataset download - \$7000

Please note that any NMLS B2B Data use that involves compliance or license status will require a daily download subscription to ensure most recent data is available to users.
