

STANDARD MCR RMLA

The Standard Mortgage Call Report (S-MCR) requires a Residential Mortgage Loan Activity (RMLA) component to be submitted through NMLS on a quarterly basis. The RMLA component will need to be submitted for each state a company is licensed in that has an MCR requirement. The following steps will walk you through completing a manual Standard RMLA for the MCR. For information on uploading an XML file, see [Mortgage Call Report XML Specification](#).

Manually Create Your S-MCR:

1. Once you are logged into NMLS, click the **Filing** tab.
2. Click the **Call Reports** button.
3. Click the **Mortgage Call Report** button.
4. Click the **Create New MCR** button.
5. Select the appropriate year and period (Q1, Q2, Q3, and Q4 are the only options that satisfy the minimum quarterly requirement. Fiscal quarters do not).
6. Select **Create Standard MCR**.
7. The RMLA component will be available. The State-Specific Information and Company-Level Information must be completed.
