

If you are required by your state regulator to complete your own Individual (MU2) Form, an individual account is required to complete and attest to a filing. See the <u>Create an Individual</u> <u>Account</u> quick guide for instructions.

An Individual (MU2) Form is initiated and maintained within the company account. Once the form is created or modified by your company, you must log in to your individual account and attest to the form. You will receive an email notification letting you know that attestation is required. An example of that email is shown below:

Main Street Mortgage (39292) has created an MU2 filing on your behalf that requires your attestation. Use the 'Log into NMLS' button in the upper right corner of the <u>NMLS Resource</u> <u>Center</u> to login and attest to your MU2.
