Introduction:

This document provides a comprehensive list of the completeness checks and warnings provided by the System when completing the MSB Call Report.

Completeness Checks - Completeness checks must be cleared to mark an MSB Call Report filing section as "Ready to Submit."

Warnings - If the warnings indicate values that are entered correctly, you may submit the filing without clearing the warnings; however, you must provide an explanatory note.

For information on how to manage and clear completeness checks and warnings, see the Managing MSB Call Report Completeness Checks and Warnings quick guide.
