NMLS Release 2020.7 Release Notes

Release Date: July 20, 2020

The purpose of these release notes is to provide a summary of system enhancements included in NMLS Release 2020.7.

General Enhancements

SCR Number	Title	Description	Context
45861	Update Dashboard – Filing Deadlines for MSB Call Report	Enhanced the Company Dashboard to correctly display the MSBCR Quarterly Deadline Dates.	Company
4141	Composite – Add Company NMLS ID when viewing branch	An enhancement was made to add the company's NMLS ID when viewing a branch in Composite View and Tasks.	State
46421	"Testing and Education Requirements Met" Review Item for TA Licenses	A new review item will be generated when a license in the TA workflow (including all TA statuses except for Pre-Approved (TA)) has met both the Testing and Education requirements for the license type. This new Review Item will be generated under a new Work Item type also titled "Testing and Education Requirements Met." Agencies will not be automatically subscribed to this Review Item. Please work with your Account Administrator to turn on this subscription.	Regulator
46322	Retire "Application Pending Review (TA)" Review Item	An update was made to the system to retire the "Application Pending Review (TA)" Review Item and hence will no longer be generated. The "Testing and Education Requirements Met" Review Item has replaced this Review Item.	State

System Maintenance

SCR Number	Title	Description	Context
46502	Regulator Log – Regulator Log search page is not showing Add Log button	This fix resolves the missing Add Log button on the Regulator Log page.	State
46287	MSBCR – Allow TDA/TDB submission with no values for any country	This fix allows users to submit the TDA/TDB filing with no count/dollar values for any country. The user must provide explanatory notes to submit the filing.	Company
34125	Regulator Worklist – Work Item Assignment Sort is incorrect	This fix allows the sort order to display correctly in the work item assignment drop down.	State
