Who Is Required to Have This License?
Arizona Revised Statutes Title 6, Chapter 5 – Consumer Lender
A licensee wishing to establish one or more locations in addition to the corporate office shall first obtain a branch office license. If requesting permission for several branch locations, use a separate application form for each location.

Activities Authorized Under This License
This license authorizes the following activities...
  - Consumer Loan Servicing
  - Consumer Loan Lending
  - Private Student Loan Lending

Pre-Requisites for License Applications
- This license should only be applied for by a company that also holds or is applying for an AZ Consumer Lender License.

AZ-DIFI ONLY issues an electronic license for this license type.

Document Uploads
Documents that must be uploaded to the Document Uploads section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:
Follow the guidance in Document Upload Descriptions and Examples.

Only upload documents relevant to the company application.

Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.

Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.

If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).

For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.

Notice to Applicant Pursuant to **A.R.S. § 41-1030**

An agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a license requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition.

This section may be enforced in a private civil action and relief may be awarded against the State. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the state for a violation of this section.

A State employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissed pursuant to the Agency’s adopted personnel policy.

This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
