**Notice to Applicant Pursuant to** [A.R.S. § 41-1030](https://azleg.gov/azsbl/bic/docs/41/1030.html)

An agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a license requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition.

A State employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissed pursuant to the Agency’s adopted personnel policy.

This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
