## GENERAL INFORMATION

### Who is required to have this license?

Each branch location of a licensed automated teller machine operator, not exempt pursuant to [Title 26C of the District of Columbia Municipal Regulations § 1800.2](#), shall obtain a license from the District of Columbia Department of Insurance, Securities and Banking (DISB).

This license should only be applied for by a company that also holds or is applying for DC Automated Teller Machine Operator License.

### Activities Authorized Under This License

This license authorizes the following activities...

- Provide a non-depository automated teller machine (ATM) for which the person or entity imposes a fee on, or receives a fee from, a customer using the ATM.

### Pre-Requisites for License Applications

- None.

DISB does not issue paper licenses for this license type.

### Document Uploads

Documents that must be uploaded to the *Document Uploads* section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.

- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
