This document includes instructions for a branch new application request. If you need to complete a new application for a company location or individual refer to the appropriate new application checklists.

Note: The company (corporate location) must request a new application if not already licensed in Idaho prior to the submission of a branch form.

Each branch location desiring to conduct business under this license authority must be separately authorized and will require a filing of a Branch Application Form through the NMLS. A branch location is defined as an office of the mortgage broker/lender conducting mortgage brokering activities, mortgage lending activities, and/or mortgage loan origination activities that is separate and distinct from the licensee's principal office. It does not include an additional physical location of the entity that is properly licensed at a specific physical address that expands to occupy additional suite(s)/space with a separate suite/space identifier at the same physical address. Notification to the Department of the expanded location(s) must be provided outside NMLS.

Total License costs: $520 including the NMLS processing fee and Idaho Recovery Fund. $36.26 will be added per FBI Criminal Background Check authorization. A $15 fee for a credit report will be added if one has not been authorized through NMLS in the past 30 days for the QPIC and branch manager of this location. Fees collected through the NMLS ARE NOT REFUNDABLE.

Each individual providing mortgage loan origination or modification activities, or independent contractor mortgage loan processing or mortgage underwriting services according to Idaho statute needs to be separately authorized by filing an Individual Application Form as a Mortgage Loan Originator through the NMLS. After the Form is submitted, the company must submit a sponsorship request to the regulator before the Individual license will be approved. Quick guides entitled “Create a Company Relationship” and “Create Sponsorship” at the following link will help walk you through this process: NMLS Quick Guides.

Mortgage Broker/Lender licensees cannot sponsor a loan originator license with a license number prefix of “MPU”—only those beginning with “MLO”. Contact the Department for further information and instruction should this situation arise.

Each individual providing independent contractor mortgage loan processing or mortgage loan underwriting services according to Idaho statute needs to be separately authorized by filing an Individual Application Form as a Contract Underwriter Loan Processor through the NMLS.
