## GENERAL INFORMATION

### Transition to NMLS

Companies holding the Kansas Supervised Loan (SL) license are required to submit a license transition request through the Nationwide Multistate Licensing System (NMLS) by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons before **October 1, 2020**. The SL license will be available to submit the transition request starting **June 9, 2020**. The transition to NMLS for this license is required.

Additionally, for each branch holding a SL license, a company must complete and submit a Branch Form (MU3) through NMLS.

**Note:** If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in Kansas, and complete a few state-specific fields.

It is important that you have the appropriate transition number available when submitting the transition request via the Company Form (MU1) and, if applicable, the Branch Form (MU3) so you are not charged any new application fees. **Licensees should use their current Kansas Supervised Loan License Number "SL.XXXXXXX" as your "Transition Number" upon filing. You must include any and all punctuation, capitalization, etc.**

### Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).

- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
