GENERAL INFORMATION

Who Is Required to Have This License?

This license is required for the principal executive office of any person (defined in Md. Code Ann., Fin. Inst. §1-101) engaging in the business of money transmission, unless the person is an authorized delegate who is authorized by a licensee to engage in the business of money transmission under the name of a licensee at any location other than the place of business specified in the license. Refer to Md. Code Ann., Fin. Inst. §12-401 et seq. for legal requirements. ([More Details](#))

NMLS Business Activities Authorized Under This License

This license authorizes the following activities...

- Bill paying
- Bi-weekly payment processing services
- Electronic money transmitting
- Issuing and/or selling drafts
- Issuing money orders
- Issuing prepaid access/stored value
- Issuing traveler's checks
- Non-Depository ATM operation¹
- Selling money orders
- Selling prepaid access/stored value
- Selling traveler's checks
- Transporting currency²
- Virtual currency exchanging and trading services³

¹Required if, based on the flow of funds, your ATM engages in money transmission.

²Transporting currency may, under certain circumstances, be considered money transmission in accordance with FinCEN guidance: <https://www.fincen.gov/resources/statutes-regulations/administrative-rulings/definition-money-transmitter-armored-car> The Commissioner believes that that FinCEN's guidance is consistent with Maryland law, and that licensure is required for a person who would be considered a money transmitter under this guidance.

³Virtual currency is considered "monetary value" under the Maryland Money Transmission Act, and a money transmitter license is required if a person engages in the business of transmitting virtual currency.

Pre-Requisites for License Applications

- None

Maryland Commissioner of Financial Regulation provides a .pdf file to allow the licensee to print a paper license for this license type.

Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
