# Who Is Required to Have This License?

It is also required for any purchaser, assignee, or holder of such credit.

### **Document Uploads Guidance**

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in <u>Document Upload Descriptions and Examples</u>.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents
  are uploaded that should not be, you will be contacted by your regulator and asked to remove them
  from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
