

Company New Application Checklist

Agency Requirements

MICHIGAN 2ND MORTGAGE BROKER/LENDER LICENSE

This document includes instructions for a company new application request.

This license application is required unless applicant qualifies for registration pursuant to Michigan law. See [Section 3a](#) of the Secondary Mortgage Loan Act, 1981 PA 125, for registration qualifications. If applicant qualifies for registration, review the Michigan 2nd Mortgage Broker/Lender Registration new application checklist.

Total license costs: \$1,550 including the NMLS processing fee. Fees collected through NMLS ARE NOT REFUNDABLE; however, if application is approved July 1 – December 31, our office will refund a portion of the application fee based on applicable Michigan law.

Section 5(1) of the Secondary Mortgage Loan Act, 1981 PA 125, states:

(1) Upon the filing of an application for a license and the payment of the required fees and the filing of proof of financial responsibility as the commissioner requires, the commissioner shall investigate the facts. If the commissioner finds that the financial responsibility, experience, character, and general fitness of the applicant for a license, and, as applicable, the applicant's shareholders, directors, officers, partners, members, and trustees command the confidence of the community and warrant the belief that the business will be operated lawfully, honestly, fairly, and efficiently as required by this act, the commissioner shall issue to the applicant a license to engage in the business of brokering, making, or servicing secondary mortgage loans under this act.

Experience is only one of the factors we use to determine licensure. It is our internal policy to use a **2-year** mortgage industry baseline as the minimum experience requirement for a company applying for a mortgage license.

Use the checklist below to complete the requirements for Michigan. The checklist provides instructions and requirements for information to be entered in NMLS, and the documents that must be uploaded into NMLS.
