GENERAL INFORMATION

Who Is Required to Have This License?
Per NAC 645F.952 a supplemental mortgage servicer license is required for any person that is currently licensed as a mortgage broker or mortgage banker under NRS 645B or NRS 645E (“qualifying license”) and is acting as or providing any of the following services in relation to one or more mortgage loans that the person did not make or arrange under his or her qualifying license (i.e., servicing third party mortgage loans):

a) directly services a mortgage loan that is secured by real property located in Nevada; or
b) is responsible for interacting with a borrower or managing a Nevada mortgage loan account on a daily basis (e.g., collecting and crediting periodic loan payments, managing any escrow account), or enforcing the note and security instrument; or

Any person holding a qualifying license that conducts any of the above activities in relation to one or more mortgage loans that the person did not make or arrange under his or her qualifying license, must apply for and obtain a supplemental mortgage servicer license.

If a person conducts any of the above activities and he or she does not hold a qualifying license under NRS 645B or 645E, he or she must obtain a mortgage servicer license, unless otherwise exempt from licensure under Chapter 645F of the Nevada Revised Statutes and NAC 645F.950.

Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If an inappropriate document is uploaded, a regulator will initiate contact and ask for its removal from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific or has already been uploaded for another state, a new upload is not required.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents, be sure to indicate the applicable state.
