## GENERAL INFORMATION

### Instructions

This document includes instructions on how to complete the requirements for making amendments with respect to a NY Budget Planner Branch License (License) with the New York State Department of Financial Services (NY-DFS).

Most amendments require advanced notice and/or approval and may or may not be accepted by NY-DFS.

Note especially that prior approval is required by NY-DFS for a change of control under New York Banking law Section 583-a, which provides, in part, that the prior approval of the Superintendent of Financial Services (Superintendent) is needed “for any action to be taken which results in a change of control of the business of a licensee.” ***Filing forms and documents in NMLS is not the same as or a substitute for obtaining the prior approval of the Superintendent.***

### Uploading Agency-Specific Documents

If you are required to upload documents to NMLS for an Advance Change Notice (ACN), select “Advance Change Notice” for the document type in the NMLS *Document Uploads* section. If you are required to upload documents for an amendment that doesn’t require ACN, select the applicable document type in the NMLS *Document Uploads* section.

**Note:** Use the recommended filing naming convention found on the [Document Upload Descriptions and Examples](#).
