GENERAL INFORMATION

Transition to NMLS

Companies holding the New York State Department of Financial Services (NY-DFS) Licensed Lender License are able to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons. NY Licensed Lender License will be available in NMLS to submit the transition request starting November 1, 2017. The transition to NMLS for this license is *optional*.

Additionally, for each branch holding a NY Licensed Lender Branch License, a company must complete and submit a Branch Form (MU3) through NMLS. [See the NY Licensed Lender Branch License Transition Checklist for more information.](#)

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in New York, and complete certain state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their company Form (MU1), so they are not charged a new application fee. When selecting your license in the Company Form (MU1), you will be asked to enter your existing NY-DFS license number. When entering your existing NY-DFS license number in NMLS, enter the numerals only. Do not include "LL."

Any licensee that needs to amend or surrender a license (or execute any other action previously completed in paper form) may complete these actions within NMLS from November 1, 2017 onward. NY-DFS encourages current licensees to update their information with NY-DFS at least two weeks prior to requesting their license transition through NMLS, so there will be no pending changes to submit at the time of transition.

The license requirements for licensed lenders are found primarily in Article 9 of the New York Banking Law (BL) and the regulations thereunder. BL Section 340 provides:

No person or other entity shall engage in the business of making loans in the principal amount of twenty-five thousand dollars or less for any loan to an individual for personal, family, household, or investment purposes and in a principal amount of fifty thousand dollars or less for business and commercial loans, and charge, contract for, or receive a greater rate of interest than the lender would be permitted by law to charge if he were not a licensee hereunder except as authorized by this article and without first obtaining a license from the superintendent.

Activities Authorized Under This License

This license authorizes the following activities...

- Consumer loan lending
- Other - Consumer Finance
- Premium finance company activities
- Sales finance company activities - motor vehicles
- Sales finance company activities - general

Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the Company transition.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Certificate of Authority/Good Standing Certificate), be sure to indicate the applicable state.
