

Amendments Jurisdiction-Specific Requirements

OREGON MORTGAGE LENDER LICENSE

Instructions

1. To amend your Company (MU1) or Individual (MU2) Form in NMLS, enter the Filing Tab, the appropriate MU Form, create a new filing and enter the section of the form that requires amendment, make the appropriate changes, proceed to the “attest and submit” field and attest to all changes.
2. DFR does not charge amendment fees.
3. Any change in Control Persons must also be reported on the Individual (MU2) Form.
4. DFR no longer prints licenses. If you would like a printed copy of your license for your record or to display as required in ORS 86A.166(2), [click here](#). Please note that changes approved in NMLS are downloaded to the state database overnight. The printed license is generated using information in the state database, so changes will not reflect on the license until the first business day after the change is made in NMLS.
5. Unless you have amended the company’s name or a trade name (otherwise known as a dba or abn), do not send this checklist to DFR. All supporting materials must be provided through NMLS as DFR does not accept documents related to licensing outside of NMLS, other than the surety bond or rider if you have NOT converted to the Electronic Surety Bond. See the checklist below for more information.
