This document includes instructions for a Sole Proprietor Mortgage Originator License individual new application request. This license type is designed specifically for sole proprietors who currently hold a mortgage company license and by virtue of the Pennsylvania Mortgage Licensing Act, must be individually licensed as a mortgage originator. If you need to complete an application for a company or branch location (authorized delegates are not considered a branch in NMLS); refer to the appropriate new application checklists.

There is no state licensing fee for this license type; however, there is a $30 NMLS processing fee. A $15 fee for a credit report will be added if one has not been authorized through NMLS in the past 30 days. You will also pay an additional $36.25 if you authorize a criminal background check at time of application. Fees collected through NMLS ARE NOT REFUNDABLE.

A sponsorship request must be submitted by your employer before your application request will be processed for final approval.

Use the checklist below to complete the requirements for the Pennsylvania Department of Banking and Securities.

The checklist provides instructions and requirements for information to be entered in NMLS, the documents that must be uploaded into NMLS, as well as the documents that must be sent outside NMLS.
