Document Uploads Guidance
Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:
- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
• Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
• Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
• If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
• For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
