## GENERAL INFORMATION

### Transition to NMLS

Companies holding the Tennessee premium finance company license are required to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons between September 1 and September 30, 2019. The TN premium finance license will be available in NMLS to submit the transition request starting September 1, 2019. The transition to NMLS for this license is **required**.

**Note:** If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in TN, and complete a few state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Company Form (MU1), so they are not charged a new application fee. The transition number is the current license number.

Any licensee that needs to amend or surrender a license (or execute any other action previously completed in paper form) must complete these actions within NMLS from September 1, 2019, onward. Paper forms will not be accepted after September 1, 2019. TN encourages current licensees to update their information with TN by September 1, 2019, so there will be no pending changes to submit at the time of transition.

### Activities Authorized Under This License

This license authorizes the following activities...

- Premium finance company activities

### Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company transition.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
