New Application Checklist
Jurisdiction-Specific Requirements

WEST VIRGINIA MORTGAGE LENDER BRANCH LICENSE

A branch location is defined as an office of the licensee acting as a mortgage broker or mortgage lender that is separate and distinct from the licensee’s principal office.

Instructions
1. Branch locations wanting to conduct business under this license authority must be separately authorized and file Form MU3 through NMLS.
2. A branch manager must be designated for each licensed location. Branch manager is defined as an individual whose principal office is physically located in, who oversees, and who is responsible for the business operations of a branch office of a mortgage lender. Each branch manager must have a Form MU2 filed within the NMLS.
3. Each branch must have a licensed Mortgage Loan Originator (MLO) who resides less than 75 miles from the branch location.
4. The West Virginia Division of Financial Institutions (WVDFI) licensing staff will review the filing and all required documents and communicate with you through NMLS. Do not contact licensing staff regarding the status, as it further delays processing.

Fees
1. $1,350 including the NMLS processing fee.
2. All fees collected through NMLS are NOT REFUNDABLE.
