

Licenses Bypassing 2018 NMLS Renewal

New license types added to NMLS on or after September 1, 2017 DO NOT participate in the NMLS Annual Renewal Process.

Entities that currently hold the licenses listed below will TRANSITION their license onto NMLS.

To transition your license onto the System, submit the Company Form (MU1) through NMLS. During this submission, the 2017 renewal fee for the license *may* be paid. See the appropriate transition checklist linked below to see what fees will be charged with your transition request.

See the [Transitioning an Existing Company License Quick Guide](#) for help transitioning your license onto NMLS.

To review the license transition requirements, see the appropriate transition checklist linked below.

This page will be updated as licenses are added to NMLS.
